

NL-WL-S-6W

6 WATT SQUARE WALL LIGHT

- 2 x 3 Watt CREE high power LED (not replaceable)
- Energy efficient. total consumption 6 watts
- Waterproof rating of IP65
- 1 x 2 M of 12 volt H05RN-F cable
- Alluminum base for good heat dissipation
- Alluminum Powder coated black
- Adjustable beam angles via dampened louvres

SPECIFICATION

Body finish	Alluminum powder coated blk
Dimensions	100mm x 100mm x 100mm
Light Source	2 x 3 CREE LED
Flux	2 x 120 Lm (max)
LED colour	Warm white/ 3000k
Beam angle	Adjustable
Input voltage	12V AC/ 12V - 24V DC
Power consumption	6 watts
Protection class	IP65 / Connector IP68
Cable	1 x 2 M with connector
Installation	Above ground & below water
Transformer loading	6 watts
