

NL-FLB-3W

3W ANGLED PATH LIGHT

- 3 Watt San Optoelectronic LED chip set
- Energy efficient, total consumption 3 Watts
- Waterproof rating of IP65
- No tools required for assemble
- Fitted with 2M of 12 volt cable
- No glare from light source
- 320 degree beam angle for good spread of light

SPECIFICATION

Bevel Finish	Alluminium
Hard Anodized	Black Powder coated
Dimensions	Lenght 655mm
Light Source	3 Watt LED
Flux	120 Lm (max)
LED colour	Warm white / 3000k
Beam angle	320°
Input Voltage	12V AC / 12V -16V DC
Power consumption	3 watts
Protection class	IP65 / Connector IP68
Cable	2m
Installation	Above ground
Transfomer loading	3 watts
